Chinoiserie

Chinoiserie is a European decorative style of art that was predominantly fashionable in the 17th and 18th centuries. Inspired by the exotic fauna and flora of the East, this collection of wallpaper depicts sumptuous design motifs such as wild birds, lattices, pagodas and water gardens, making it a vivid and colourful addition to any interior setting.

The Chinoiserie collection comes in a wide array of layouts and an opulent palette of colourways, ranging from a restrained and subtle look to more striking combinations.
